

Quality System Certificate

DGM-603

This is to certify that the quality system of

OY Medix Biochemica AB

Asematie 13
02700 Kauniainen
Finland

fulfils the requirements in

DS/EN ISO 9001:2000

The scope of the certificate is:

Research and development, manufacturing, purchase, marketing, sales and distribution of reagents, components and tests for in vitro diagnostic use

The certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. The quality system certificate is issued pursuant to the DS Certificering A/S rules for the certification of quality systems for medical devices.
