

Product Datasheet

Anti-HBs Positive Plasma Unit D1072

| | |
|---------------------|--|
| Product Name | Anti-HBs Positive Plasma Unit |
| Catalog Number | D1072 |
| Description | Anti-HBs Positive Plasma |
| Tested Applications | QC Materials, Base Matrix |
| Brand | Bioresource Technology |
| Storage | -20°C |
| Source | Single Human Donor |
| Shelf Life | Due to differing stabilities of various biomarkers in this complex biological material it is not possible to assign a single expiration date that is relevant to all biomarkers. The end user should monitor the biomarkers of interest to verify suitability over time. |
