
Product Datasheet

Anti-HBs Positive Plasma Unit D1072

Product Name	Anti-HBs Positive Plasma Unit
Catalog Number	D1072
Description	Anti-HBs Positive Plasma
Tested Applications	QC Materials, Base Matrix
Brand	Bioresource Technology
Storage	-20°C
Source	Single Human Donor
Shelf Life	Due to differing stabilities of various biomarkers in this complex biological material it is not possible to assign a single expiration date that is relevant to all biomarkers. The end user should monitor the biomarkers of interest to verify suitability over time.
