

Product Datasheet

Recombinant C. difficile GDH, 100 µg 610121

Product Name	Recombinant C. difficile GDH, 100 µg
Catalog Number	610121
Description	Recombinant Clostridium difficile glutamate dehydrogenase antigen with a histidine tag.
Species/Host	E. coli
Brand	Medix Biochemica
Form/Appearance	Liquid, may contain small particles
Concentration	Lot specific
Storage	+2-8°C
Associated Products	Anti-C. difficile GDH 11001
Buffer	50 mM Tris, 5 mM EDTA, pH 7.6, 0.095 % NaN3 as a preservative
Molecular Weight	Predicted molecular weight: 51 kDa
Shelf Life	Unspecified
